

MOTHERS CLUB ELECTS NEW OFFICERS

NEW CEE AY MONITOR

Father Coyne

With the retirement of Father Churchill as director of the Cee Ay publication for several years the responsibility of that charge fell to the lot of Father Coyne. This is Father Coyne's eighth year on the Academy faculty and during that time, in addition to being identified with the various athletic teams, he has taken care of Academy publicity.

VALUABLE RELICS ENRICH MUSEUM COLLECTION

A recent addition to the religious section of the Columbia Museum was received from Father Duggan, who obtained the collection during the summer while in Europe. The largest part of this collection consists of ten pieces of pottery work and sculpture from the excavation of the home of St. Clement in Rome. Another piece, a stone, was taken from the inside of the Catacombs of St. Sebastian at Rome. A nail, the duplicate of one of the original nails which pierced the hands and feet of Our Lord, and a handful of soil, originally from Calvary, in which the Capuccins were buried, was also procured from Rome.

Additions to Staff

During the past week ten new Academic students were accepted as members of the museum staff. The entire group are as follows: V. Murphy, E. Goodman, D. O'Leary, Overman, D. McMullen, J. Unga, K. Callaghan, C. Kelly, A. Reno, and A. Middendorf.

The date of the official opening of the museum, which was announced as October 5th, has been changed to October 11th and 12th. All students are welcome and are invited to visit the museum on Tuesday and Wednesday afternoons and on Wednesday evening.

Sympathy

The Cee Ay in the name of the faculty and student body expresses condolences to Father Craney upon the loss of a sister-in-law who died suddenly during the week.

Student Body Prepares for Catholic Pageant

Twenty-One To Have Active Part In Rural Life Program

Twenty one academy students will participate in the pageant which will be a feature of the opening day program of the Tenth Annual Catholic Rural Life conference to be held here Oct. 19, 20, 21. Over one hundred students from Catholic colleges and academies in Dubuque have begun rehearsals for the colorful ritual of initiation into the Catholic Student Mission Crusade.

The speaking roles of the pageant will be handled by the students of Columbia and Clarke colleges, while all the other roles will be handled by the students of the Immaculate Conception Academy, St. Joseph's Academy, St. Vincent's Academy, De Sales Heights and Columbia Academy.

Student Roles

The students from the Academy will act as candidates for enrollment in the Mission Crusade, pennant bearers, pages and banner bearers. Pages—Philip Renier, Francis Speyer, Vincent Murphy, Marcellus Lynch.

Pennant Bearers—Charles Kelly, LeRoy Bolander, John Coros, Joseph Evans.

Banner Bearer—Charles De Barr.

Candidates—Robert Dumphy, Francis O'Connor, Edward Doherty, Richard Saunders, Bert McQuillen, Charles Kelly, Robert Spahn, John Schroeder, Chris Voelker, John Becker, James Weber, Robert Palen.

The candidates from the Academy will represent the entire Academy student body as they are enrolled into the society. The men chosen as candidates will receive a plenary indulgence while anyone who watches the ceremony will be granted an indulgence of seven years and seven quarantines.

MONSIGNOR WOLFE TO BE INVESTED AT PAGEANT

An important feature of the Catholic Rural Life program will be the investiture of Doctor Wolfe. Father Wolfe was elevated to the rank of Monsignor while His Excellency, Archbishop Beckman, was in Rome last summer. He was thus honored along with two other Dubuque priests, Monsignors Boeding and Hanley.

It is only fitting that the formal reception of his new honors should be assigned to the Catholic Rural Life Conference and the Catholic Mission Crusade Pageant. Msgr. Wolfe has been an untiring worker in furthering the success of this joint function.

APPRECIATION

We take this occasion to thank our readers for their new or renewed subscription remittance. We regret that their number is not larger but we feel that there are some who still intend to join the ranks. It's never too late, but we are afraid that this will have to be our last free issue to non-subscribers. Once more thanks to all our patrons both old and new. We trust that you will enjoy our paper.

KODAK CLUB ENJOYS ITS ANNUAL OUTING

The Kodak Club went on its annual fall outing Saturday, Oct. 1, with a trip to the Maquoketa Caves and to Lake Hurst.

Cars furnished by Kunnert, Becker, Seymore and O'Connor provided transportation for 20 of its 25 members. In the morning the Maquoketa Caves were explored and pictures snapped of the surrounding scenery. Francis O'Connor and Howard Lynch still tell us of the frigid zone of the caves. A suitable place for eating was not found at the caves, so Father Striegel suggested that the group go to Lake Hurst. There a lunch was served with "Squeak Farrell" establishing a new record in eating. Following the lunch the fellows rented all the available boats and rowed around awhile. Later most of them went swimming. The slightly cold water made a "game of tag" very enjoyable. John Drees should be complimented on his ability as a oarsman.

The club has Father Striegel to thank for making possible the trip.

FATHER STEMM APPOINTS DRAMATIC CLUB STAFF

The officers and technical staff of the Academy Dramatic club were appointed by Fr. Stemm, moderator of the club at a meeting held on Tuesday, September 27.

The officers and technical staff are: Francis O'Connor—Student Director. Ben Parker—Student Manager. John Schroeder—Property Manager. John Becker—Publicity.

Edward Doherty, Mark Saunders, William Bradley—Stage Crew.

These men will have charge of all the Academy plays and will assist in the college production. Francis O'Connor, who is Student Director, has charge of all the technical staff and is directly responsible for scenery, props and other stage equipment for Academy productions. Ben Parker is in charge of the stage crew and directs the erection and removal of scenes and setups. John Schroeder is accountable for all the props used in each academy play and John Becker is the man who takes care of the publicity.

Mrs. W. F. Theisen Named Organization President

Father I. J. Patnode Addresses Meeting On Work Of Members

At the meeting of the Columbia Academy Mothers' Club, held in the Academy library Friday afternoon, September 30th, Mrs. M. F. Theisen was elected president of the organization for the coming year.

In her acceptance speech, Mrs. Theisen thanked her fellow members for the honor bestowed upon her and expressed the hope that she would be able to continue the wonderful work done by Mrs. George Most, whom she has succeeded in the office of president.

The other officers elected for the school year, 1932-33, are as follows: Mrs. Thomas H. Callahan, vice-president; Mrs. Grace Wright, secretary; and Mrs. P. Norton, treasurer.

The retiring officers are Mrs. John Kerper, Mrs. Harry Schroeder and Mrs. Frank O'Connor, vice president, secretary and treasurer, respectively.

New Cabinet

Mrs. Theisen's "cabinet" for the ensuing year consists of the following members: Mrs. W. B. Clark, Holy Trinity parish; Mrs. H. B. Berk, Sacred Heart parish; Mrs. H. Weitz, St. Mary's parish; Mrs. J. Backes, St. Patrick's parish; Mrs. G. Gruber, Holy Ghost parish; Mrs. V. Seymour, St. Anthony's parish; Mrs. F. Gilloon, Nativity parish; Mrs. C. Waters, Cathedral parish; and Mrs. L. Kelly, St. Columbkille's parish.

The retiring directors are Mrs. P. J. Norton, Mrs. Wm. Becker, Mrs. E. J. Goodman, Mrs. A. J. Frommelt, Mrs. D. J. O'Leary, Mrs. A. J. Boland, Mrs. Ed. Groff, Mrs. Thos. Callahan and Mrs. J. A. McMahon.

Father Patnode, principal of the Academy, in addressing the mothers, commented upon the noteworthy work the organization has performed in the past year. He also asked for the cooperation of every mother with the faculty of the school, stating that it was the only way in which the greatest good could be accomplished toward the development of the students.

ACADEMY SONG "ON THE HILL" WRITTEN BY FR. LONG

A new school song, "On the Hill," will be presented for the first time at the Oelwein game, Saturday. The words of the song were written by Father Long who was also the author of the famous Gub song. The music was prepared by Professor Dovi, assisted by Father Kelly, Wayne Brown and Justin Conlin. The song is to be used as an after battle strain and every student should commit it to memory in order to do his part in contributing to its successful appearance.

BOOST THE TEAM

As loyal students of the academy let us turn our attention to the cheering of the team, whether it be football or basketball. In cheering the team let us show the players that we really have confidence in them and are interested in every move that they make.

Knowing that the team represents your school would you be willing to allow your team to be defeated all for the lack of a little cheering and encouragement? Nothing, perhaps, will bolster up the strength of a player and enable him to fight harder than to hear his fellow-students yelling for him. By supporting our team we afford it a better chance for victory. Also we can give the team something to look forward to after it has played out-of-town under the handicap of a lack of student support. On the other hand we should not be discourteous to our opponents, only show them that we think that our team is the better.

The Band, also, is a powerful asset in aiding the team to gain victory. Thus, we should promote its interests.

Let each individual, therefore, strive to do his share in perfecting the cheering system of the academy.

SERIOUSLY

There is a religious practice established centuries ago, that, in late years, has practically gone out of existence. That practice is the family recitation of the Rosary in the home. There are three major reasons why this custom should now be renewed in the home of every Columbian:

1. Because this is the month of October, the month dedicated by the Church to the Holy Rosary.
2. Because the family recitation of the Rosary in the home is most efficacious in obtaining favors from Almighty God. If the Church has seen fit to set aside a whole month for special devotion to the Holy Rosary, it must be very pleasing in the sight of Almighty God.
3. Because we, as you all know only too well, are living in an era of religious and economic depression. If devotion to the Rosary was ever needed at any time, it surely is needed now.

Therefore with these three major reasons in view, it is hoped and expected that every Columbian will do his part in spreading special devotion to the Rosary in his home.

FESTINA LENTE

Festina Lente is an old Latin proverb which means hasten slowly—somewhat of a paradox in English, it might be translated in many ways, such as, "Haste makes waste" or "Hurry causes flurry," etc. We suggest the observance of this aphorism or slogan as an antidote for the congestion and commotion that has at times been evidenced in the corridors and study halls between classes and sometimes after school. Unnecessary hurry in the building at any time doesn't promote promptness and it is often the cause of unnecessary disorder. We attribute this needless hurry in the past to thoughtlessness but in the future, if we must hasten, let us do it slowly.

ALUMNI ECHOES

Among the latest Gus Edward's discoveries and started by this stage personage, is John Leo, ex '27, who left the corn district to bask in the reflection of the Hollywood lights. John is master of ceremonies at many West Coast productions and according to reports in the San Jose

papers he is quite popular.

More gossip, this time about Bill Leary '30, who is now at Utah University. Bill, in case you don't know, went to the finals in the Utah State Tennis tournament and was defeated in a close series of sets by a Californian. So, says the Salt Lake Tribune, Bill is the best of tennis enthusiasts.

BETWEEN THE HOURS

This time about George Doyle '28, of Miles City, Montana. George is, and we tell you because since '28 no one at Columbia has heard much from him, graduated from Carroll college in Helena and says that he goes deer hunting often. (deer hunting, too.)

Once more we have the real facts James Hoff '11 visited his Alma Mater and regardless of the "depression" gave a favorable business report. Mr. Hoff has been affiliated with the Fire and Marine Insurance Company of Milwaukee.

John Lyons '30 sends in his renewal subscription to the Cee Ay, and in his letter wishes us every success. Thanks, John! John was an able contributor to our columns of a few years ago. He is now located in Chicago.

Bernard Nash, Cee Ay editor with class of '29, has been in Dubuque assisting Father Kaufman. Bernard is still interested in the newspaper game.

Columbians hat Corner

We seem to have stepped on some one's toes two weeks ago when we supposed that there would be no Glee Club this year. Sorry, pater, sorry. However, we can offer some defense by stating that our info came from a very authentic source. If it has proven wrong we can only repeat, we're sorry.

Oh, the life of a columnist! It's a tough grind!

It has been suggested that we put in an application for the position of publicity manager on some deserted South Sea Island. We wonder what was meant by that?

My school, right or wrong!

But what would a school be without a Glee Club? It provides a sort of safety valve for all our would-be McCormicks, Carusos, Tibbetts and Salernos. (Yes, and Valles, too.)

The football squad seems to be going strong. Here's hopin' they bag tomorrow's game. And why shouldn't they?

Well, we've finally heard the last of the absent minded professor. "Speed" Doherty tells us that he (the Prof. of course) one morning mixed up his signals when told to tie a rock about the cat's neck and drown it before betaking himself to his classes. Smells of Denmark? We thought so too.

These freshmen! They still irk us.

Father Churchill gave a brief talk Friday, Sept. 30, on the Catholic Student Mission Crusade. At its conclusion the entire Academy student body were given the Crusade pledges.

Father Nicholas Steffen, Spiritual Director of the College and Father Fidelis Kaufmann of the Academy will act as regular confessors at St. Joseph's Hall for the scholastic year of 1932-33.

This year a change of the Religion Teachers has been effected. Father Ferring is conducting the classes in first year Religion in place of Father Churchill, who has replaced Father Peters in third year Religion.

Father Ferring now has complete charge of the student sacristans and Mass servers this year. He succeeds Father Striegel in this capacity.

Edwin Knockel will be the student master of ceremonies. Ben Parker was elected secretary of the sacristan group.

Prefect: Didn't you tell me you wanted to get off yesterday on account of a death?

Ed Kelly: Yes, Father.

Prefect: And you went to a base ball game. I understand?

Ed: Yes, father, I heard they were going to kill the umpire.

GUBS PLAY FIRST HOME GAME SATURDAY

Academy-St. Thomas Tilts Ends 0 To 0 Tie

Schneider Stars

The Gubs were battled to a scoreless tie by St. Thomas in the first season's game. Even though the game was close each team exhibited its fighting spirit and power. The teams were evenly matched.

Dick Voelker, aided by William Streff and Tony Weldon, was the outstanding star of the Academy backfield. Capt. Jean Schneider gave a great account of himself as did William McClusky and William Keller. George Porter also showed the football while he was in the game. St. Thomas' chances were good when they had the ball on the seven yard line but were stopped when Joe Voelker intercepted their pass in the final minutes of play.

For St. Thomas, Haeger and Martingaleo starred with good blocking and running. The lineup:

St. Thomas (0)	Columbia (0)
San Felippi	L.E. Webber
Gillis	L.T. Heyling
Sapariito	L.G. McCluskey

LaCrosse Teachers Beat Duhawks 6 To 0

The Lacrosse State Teachers College of Wisconsin eked out a victory over Jerry Jones' hard fighting purple and gold warriors. The game was a scoreless tie for the first three periods but in the fourth quarter the Badgers completed two passes for thirty eight yards together with a penalty on Columbia for five yards (too frequent time outs) and three yards through the line.

The touchdown followed a sudden uprising of the La Crosse Maroons, who failed to pierce the Duhawks line just before that on the two-yard line.

Bill Boland of Columbia and Schwoegler, fullback, of the Marrons were their respective teams best ground gainers. La Crosse completed eight first downs to Columbia's five. Out of sixteen attempts La Crosse completed five passes to Columbia's three out of seven.

The defeat at La Crosse was the Duhawks second for the season having lost another heartbreaker to the State Teachers two weeks ago.

LEAGUE UMPIRE

Father Loosbrock

When Father Patnode, the director of Academy athletics, was looking for someone to take the place of Father Skahill as the official umpire for the junior leagues he immediately thought of Father Loosbrock. Needless to say, his fulfillment of the job has been and will be most satisfactory.

Warriors Defeat Teenie Weenies 14 To 13

In the first minor league game of the intramural season Father Ferring's fast-stepping Little Warriors managed to emerge with a 14 to 13 victory over the Teenie Weenie team. The erratic passes from both of the centers put each of the teams in precarious positions during the first half of the game.

The spectators saw Keiffer score the first touchdown of the intramural season on an end run during the first few minutes of the game, after having recovered a fumble. Kress, Teenie fullback, scored a few minutes later on a beautiful 35 yard run after eluding the Warrior backfieldmen.

The Teenies scored again in the first quarter due to the line smashing activities of Kress and Botsford. This touchdown was answered by another Warrior tally in the second quarter mainly as a result of the gains made by Keiffer and Becker around ends bringing the count to 14 and 13 at the end of the half.

The second half was scoreless and neither side was seriously threatened. Keiffer starred for the winners making both of their counts. Kress was the main cog in the offensive machine of the loser's although Marietta showed up well on the defense.

GALENA FURNISHES GUBS EASY PRACTICE GAME

In their practice game the Gubs were victorious over Galena 42-0. Consistent gains were made by Streff, Weldon, Sharon and Voelker. Coach Cretzmeyer used every man available in this game and was quite pleased with the work of a number of the new men.

Russellers And Dodgers In Zero Deadlock

The first game of the Intramural League between the Russellers and the Dodgers was played Friday, September 30th. The outcome was a scoreless tie. Considering the fact that both teams were playing their first game the calibre of football displayed was exceptionally good. The Russellers' combination featuring Juergens and Kofenbach was very effective whereas Masterson and Tschudi played well for the

FORMER STUDENT MANAGER NOW MANAGING EDITOR

James R. Kearns who graduated from the Academy in '28 and who, in his last year, acted as student manager has advanced another notch in the newspaper field at Notre Dame. An article in the Notre Dame Scholastic tells us that he has been made managing editor of that publication. Last year he acted in the capacity of sporting editor, a position now held by Joe Kurth. Unquestionably "Jimmie's" managerial ability can't be overlooked. We are sure that the Scholastic should have a good year.

Cretzmeyer's Protoges Ready For Oelwein

St. Ambrose Next

Coach Cretzmeyer's Academy Gubs will officially open their home schedule tomorrow when they meet the Sacred Heart team of Oelwein at Loras Field. The team has been busy the past week ironing out the mistakes revealed by the Rockford encounter and perfecting their defense.

They are now in great shape and should look good when they take the field against the Sacred Heart aggregation. This is the first year that Sacred Heart has appeared on the Academy schedule; little is known of their strength but from all reports they should be able to handle themselves creditably and prove worthy opponents.

The St. Ambrose game is the major problem which confronts the Gubs at present. The Davenporters are traditional rivals and always a fighting team. They are out to avenge the 22 to 0 defeat administered to them by last year's Gub machine and should give the fans plenty of real football and fight to gaze upon.

Out of the bunch that went to Galena there are three players missing from the academy squad. Consult them for reasons.

They say there is an unknown star on the academy squad. Every coach has one. Who is he, coach?

Joe Meyer is beginning to flash at tackle. Looks like a real find for the Gubs of 33.

Herb Klaas, a flaming youth from Wisconsin, shows the coach he is "hot". Should be a great tackle.

Jim Engler, the blonde streak of the North end... should be a flash at half next year. More power to him.

Bill Kelly, a stalky lad from Cathedral, shows great ability and ought to lead the Gubs to victory in future years.

George "Mosse" Porter, a towering end from down the river, ought to be a call for end. He has it in him.

Pals George Blerie and Jack Brown work like a clock together. Maybe they can strike for the Gubs next year.

INTRAMURAL LEAGUES TO HAVE SEVEN TEAMS

Nearly 150 Are Listed On Different Intramural Schedule Elevens

This year the Intramural teams have been organized on a slightly different basis. Due to the large enrollment there are four teams instead of three in the Minor League, and three teams in the Major League. The enrollment of boarders being very small, it is impossible to have an all-border team in either division. The Russellers, Dodgers and Codgers, coached by Fathers Coyne and Striegel and Louis Maers respectively, make up the Major League. The required weight of the players for this division is between 120 and 140 pounds. The Minor League, organized for those under 120 pounds, is composed of the Teenie Weenies, the Little Warriors, the Midgets and the Little Giants with Fathers Churchill, Ferring, Enzler and Martin as their respective coaches.

The personnel of the Major League teams are:

Some Student Slants, Viewpoints

(The Inquiring Reporter asks ten students, "What extra-curricular activity do you like best?")

Frank O'Connor, senior, Dubuque, Iowa. My first choice is Dramatics. Because it helps one to acquire that winning poise and personality. It also aids one in vocal expression.

William Trow, senior, Dubuque, Iowa. I believe that the annual Elocution contests are the greatest activity offered at Columbia Academy. They are not only entertaining but also education.

James Engler, junior, Dubuque, Iowa. The choir is one of the most important organizations at Columbia. It gives one a very valuable vocal training and an inestimable amount of enjoyment.

James Schuckert, sophomore, Dubuque, Iowa. No one can deny the fact that football is the most beneficial and interesting sport. That is why I think it is the best activity at our school.

Francis Donahue, sophomore, Taber, So. D. I realize the value of the many activities offered at Columbia Academy, but I think that the Kodak Club is the one real organization. It gives one a fine knowledge of the many essentials of photography and assists you in appreciating nature.

Richard Sherman, sophomore. Boxing provides entertainment and physical development. That is why it is my first choice.

Louis Sanner, senior, Dubuque, Iowa. Dramatic experience is beneficial in helping one to overcome one's self-consciousness and to improve one's personality. Can any other activity compare with it? No.

Melvin Keller, sophomore, Dubuque, Iowa. Football makes real men and aids in the development of character. That is what makes it so popular and directs me in my choice.

Edward Doherty, senior, Chicago, Ill. I think that the training received in the Dramatic Club is worth a whole year's education. No matter what vocation one follows he will be able to make use of the knowledge he received in the Dramatic Club.

Edward Fall, senior, Dubuque, Iowa. Although this is only my first year at Columbia Academy I know the training to be obtained in the choir is incalculable. I was a member of the choir at St. Ambrose Academy and I know the valuable training one receives in any choir.

Unkind

A squirrel looked at a sophomore. Then his mother's gaze did meet. "Yes, darling," said his mother, "But not the kind we eat."

Bill Streff (Gub fullback) was seen putting a bandage on his right foot which was the wrong one. (And they say that only professors are absent-minded.)

BAND ORGANIZES YEAR'S STAFF AND PROGRAM

Acting upon the suggestion of Father Kelly, the band elected officers for this year's band program. It was decided that this year's officers would form a student's executive staff. In the election on Tuesday the 27th, Andrew Balk, a senior academic from Carroll, Ia., was proclaimed band manager and Robert O'Rourke, a member of the junior class whose home is in Dubuque was given the position of secretary. Robert Quirk and Gerard Schneider were named librarian and property man respectively. Charles Tschudi, Robert Berg, and Ralph Masterson were appointed as assistants to Schneider. Eugene Weimer was elected publicity manager.

Plan Trip

The newly elected staff immediately undertook action on a proposed band trip to Freeport on October 22nd. Transportation of the members and instruments, which is the principal factor and will ultimately prove whether or not this band trip will become a reality, was left to their discretion. It is hoped that the people of Dubuque will be as charitable in providing their cars for this trip as they were in former instances of this nature.

Professor Sam Dovi continued to drill the band in the fundamentals of marching. He says that there is every reason to believe that the band will be successful along these lines. This year's unusually large drum section will add color and effect to the marching by a series of drum beats they are perfecting under the instruction of Professor Dovi.

EXCHANGES

The arrival of the "Aquinas News" of La Crosse, Wisconsin, received the traditional welcome of which it is deserving. We are glad to read of your record-breaking enrollment.

The "D. L. S. Victory", coming to from the portals of the De La Salle Institute of Chicago, announces Brother Lawrence's twelfth year at the helm. May he achieve even greater things this year.

The "Dubuque High News" has always held a top notch position on our Exchange list. The Academy hopes your publication continues its victory march.

St. Mary's School of Waterloo kept its tradition by sending a copy of the "Magnet", its monthly publication. It lives up to its motto: "the paper with the magnetic personality."

"The Marion", of Sterling, Illinois, came to us in all its splendor. We are glad to read of your interest in mission work. We too are stressing mission action.

Long distance—and how! We received the "Tech High Rainbow" from Atlanta, Georgia. This paper not only reviews school activities but keeps in touch with politics and current interest such as aviation, radio and football.

We take this occasion also to congratulate the new staff of the College "Lorian" on their first issue. We found it attractive in set up and full of news.

SUNNY SKITS

"Mac"

(Not to be taken too seriously)

Andy Balk: Talk about large vegetables I know a man in Carroll that raised a pumpkin so large that his two children use a half each for a cradle.

McQuillen: That's nothing. We have in this town as many as six policemen sleeping on one "beet."

Bradley: It took eight sittings. O'Connor: What are you having, your portrait painted?

Bill: No, learning to skate.

Chaplain (to prisoner in electric chair): Can I do anything for you. Prisoner: Yes. Hold my hand.

While Bill Ellwanger was visiting in the east he went to a barber shop for a shave (he really does). The barber made several slips with his razor, and each time he would paste a small piece of paper over the cut to stop the bleeding. When the operation was over Bill handed the man a dollar.

"Keep the change, barber," he said, "It is worth a dollar to be shaved by such an artist. Why man, you're a barber, butcher, and paper hanger all in one."

L. Kinney: "Thinking made me what I am today."

L. Sanner: "You must of had some funny thoughts."

J. Webber: "How much did the judge fine you?"

D. Cullen: "Ten dollars and costs." James: "Couldn't you talk him out of it?"

Donald: "No, I told him I was a high school boy and he said, 'Ignorance is no excuse'."

Dean (in the morning): "O'Brien get up. There's just a minute left." Jack O'Brien (rubbing his eyes): "A minute left? What's the score?"

A colored laborer, doing a hauling job, was informed that he could not get his money until he had submitted an itemized statement. After much meditation he evolved the following bill:

"3 comes and 3 goes at 4 bits a went equals \$3.

Then that Powers prodigy leaves a daily paper at a grocery store owned by "Staple and Fancy." (He claims that is the name on the window!)
